OFFICE OF THE PRESIDENT.
CITY MUNICIPAL COUNCIL, MYSORE

DATED 31st July 1933

GEN. REV SECT.
4 AUG. 1933
I. & C. BRANCH.

Dear Sir,

Adverting to Government Order No.L.112-15/Mi.246-31-14 dated the 6th/8th July 1933 sanctioning a sum of Rs.1½ lakhs for the improvement of water supply in the City, estimated to cost Rs.3.3 lakhs, one lakh being treated as loan to the Municipality and Rs.50,000/- being treated as Government share of contribution, I beg to state that the revenue of Rs.3,000/- realised in connection with the supply of water to the Railway Work-Shop has been ordered to be credited to the Vani Vilas Water Works in the last para of the Government Order referred to above.

When the deputation of Municipal Councillors waited on the Dewan Saheb on 11th June to discuss the question of water supply improvements to the City and the ways and means for financing the scheme, it was decided that the revenue of Rs.3,000/- realised from the supply to the Railway Work-Shop and Colony should be credited towards the maintenance charges of the Vani Vilas Water Works with a view to ease the burden of the Municipality in meeting two thirds the total cost of maintenance charges. The Government order now received in this connection leaves this point in doubt.

I submitted the matter to the Dewan Saheb when he was in Mysore last month and he was pleased to direct me to make a reference in the matter.

I request you therefore to be so good as to submit this representation to the Dewan and have the last para of the Government Order modified in the light of the decision arrived at, so that the revenue of Rs.3,000/- realised from the supply of water to the Railway Work Shop may be credited towards the share of contribution of the maintenance charges of the Vani Vilas Water Works due from the Municipality.

Thanking you,
I am,
Yours sincerely,

To
R.Ranga Rao, Esq., B.A.,B.L.,
Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
